

## Shrink Wrap Benefits

### SHRINK WRAP PROTECTS

- Shrink wrap protects against weather damage.
- It's waterproof!! It can fully encapsulate just about anything.
- One piece coverage. Cover entire flatbed loads and boats 60'+ boats with one piece!

### COST EFFECTIVE

- 100% virgin resin shrink wrap with maximum UV inhibitors costs only pennies per square foot.
- You can't afford NOT to shrink wrap.

### EASY APPLICATION

- Common sense approach to application.
- Logical installation steps. Our Dr. Shrink training video offers step by step instructions on the shrink wrap process.

### NO SURFACE DAMAGE

- When properly applied, shrink wrap will not move or chafe during transportation or storage unlike bulky, dirty tarps.

### BREATHABILITY

- Our shrink wrap covers can be ventilated to eliminate moisture and mildew problems.
- We offer several countermeasures that inhibit moisture and mildew from forming on shrink wrapped units.
- Dr. Shrink offers Vapor Corrosion Inhibiting products to prevent damage to sensitive metals and electrical circuits.

### ACCESS

- IPS has the widest selection of zipper access doors and solutions available.
- Gain entry to your covered unit without cutting or removing your shrink wrap cover.
- Custom zipper access door solutions available to fit any job!
